Dear:

In all seriousness, we have a rare opportunity to take advantage of an offer to secure a quantity of trees at a cost well below the market. In order to do this we are appealing to the membership for the funds necessary to proceed. We can secure 10 plus foot tall mature pines, balled and ready to drop (plant), at a delivered total cost of \$125 each. We have created a plan in which you can join with us to enhance the grounds. Forty trees would provide additional privacy, sound deterrence and beauty, both along Highway F and on the Sporting Clays Range of our property. You can select either location of any trees you donate. We have a committee currently designing optional plans. Please consider donating the cost of one to four trees to perpetuate this scenic beauty, while providing some additional privacy and sound deterrence. If you wish to do so as a memorial in the name of a family member or loved one, there is no better way to remember them. As an additional incentive, for the donation of four trees, (\$500) your company or family name will be placed on a placard on either the fence between the clubhouse and the Trap/Skeet/5-Stand ranges, or at a Sporting Clays station, whichever you choose.

Another committee is designing a permanent display which will have on it the donator's names. It will be placed in a prominent place in the clubhouse, to recognize your family or businesses commitment and support.

Your contribution can be made by cash, check or credit card.

**Please act as soon as possible as we have to make a commitment while this offer is still available.**

Sincerely,

Your Waukesha Gun Club Officers and Directors -

Pat Gerbensky, Dave Wilson, Bob Gundrum, Jack Tans - - Officers

Lowell Carl, Pete Elsen, Ricky Wicklund, Dan Sanford, Tom Mitchell -- Directors
